Greetings,

As a valued member of our community, Foluke Cultural Arts would like to invite you to be a part of Foluke Cultural Art’s Second Annual Gala entitled, Cùltūra Noire: An Afro-Latin Masquerade Ball. This annual initiative aims to raise funds to allow Foluke Cultural Arts to continue to provide affordable performing arts, visual arts and arts education programming to the underserved areas of Cleveland. We specialize in providing at-risk children, youth, and teens access to art and culture through dance, drama, voice training, language and arts education. The goal is to boost self-confidence through self-expression and self-discovery by utilizing the arts as a catalyst for academic achievement, socio-economic development and community pride.

The event will be held April 6, 2024 from 7-11pm at The Ballroom at ParkLane located at 10510 Park Lane Cleveland, OH 44106. The evening will begin with a VIP Reception featuring culturally themed Hors d’oeuvres, and a champagne toast. The main event, experience will highlight thrilling performances by The Sammy Deleon Orchestra, followed by the Mystique After Party, a mixer with dance and more special performances curated by DJ Omar.

Your involvement would help highlight the importance of community collaboration in facilitating the well-being of youth, and will exemplify the role of community partnerships in promoting positive, promising and productive events. We hope that you will join our efforts to continue Foluke Cultural Arts’ education programs by making an in-kind contribution in the form of a silent auction item. Your contribution will allow us to list you/your organization as a contributing sponsor that will be utilized as a direct benefit the youth we serve.

Please fill out the attached form and mail your contribution to Foluke Cultural Arts @Friendly Inn, 2386 Unwin Road, Cleveland, OH 44104. Your generous silent auction contribution must be received by March 7th, to be included in the online catalog.

Thank you in advance for your generous contribution.
